

Introduction

Hello everyone, my name is Gigi. I am so excited that my friend Teelie Turner decided to write this book about me because it shares a moment that changed my life. I want to tell the whole world about my incredible story. I won't spoil the surprises that happen in 'How Gigi Becomes a Chic Magical Fairy' by telling you now because Teelie is so much better at telling it than I am. I just get too excited sometimes and go off on tangents. Teelie's version is a lot easier to understand and it has beautiful illustrations that you can enjoy as you read.

Happy reading.
